# InExO

## Symposium InExO 2017

Alternative Models «in vitro, ex ovo & organisms»  
From Research to Applications in Pathologies and Aging

Partnership with

14<sup>th</sup> National SPML Meeting

French Society of Pharmacy of the Latin Mediterranean

## Program

*8h-8h30 : Registration - Coffee*

8h30-9h : Opening Ceremony :

Professor Laurence Vian, Dean of the Faculty of Pharmacy

Professor Paul Chambon, President of the French Society of Pharmacy of the Latin Mediterranean  
Sponsors

**Session 1 : 9h-12h30**

**A - Cellular Methods.** Moderator : Dr. Jean Pierre Moles

9h-9h20 : ES et IP cells : Application to aging, Dr. Jean Marc Lemaître, Inserm Montpellier, (F).

9h20-9h40 : 3D Models, Pr. Catarina Brito, Lisbonne, (P)

**B – Reconstitution and 3D skin printing,** Moderator : Dr. Hinda Dabboue

9h40-10h : Reconstructed tissue: skin, Dr. Christian Pellevoisin, Episkin, Lyon, (F)

10h-10h20 : 3D Bioprinting tissue: Dr. Paulo Marinho, L'Oréal R&I, Paris, (F)

*Poster Presentation - Network & Refreshments Break 10h30-11h*

**C – Applications.** Moderator : Pr. Gilberte Marti-Mestres

11h –11h20 : CETSA Cellular thermal shift assay application, Dr. Laurent Lamy, Nestlé Skin Health, Sophia Antipolis, (F)

11h30-12h Pharmaceutical application, Pr. Anna Maria Fadda, University of Cagliari, (I)

**D – Flash communications.** Moderator : Pr. Jean Pierre Reynier, Dr. Laure-Anais Vincent

12h -12h30 : 6 short communications lasting 5 minutes.

*Poster Presentation –Lunch Break 12h30-14h*

**Session 2 : 14h-17h30h**

**E - Ex-ovo Models (CAM) and Chronic diseases.** Moderator : Dr. Philippe Nirdé

14h-14h30 : The chick chorioallantoic membrane (CAM), Pr. Domenico Ribatti, Bari, (I)

14h30-15h : Avian retroviral transgenesis approaches: gain & loss of functions, Dr. Pascal De Santa Barbara, Inserm Montpellier, (F)

**F - Organisms (C. elegans, tardigrades, etc) as models.** Moderator : Pr. Simon Galas

15h-15h20 : Aging mechanisms, Dr. Florence Solaris, Inserm Lyon, (F)

15h20-15h40 : C. elegans and Anti-oxidant agents, Pr. Michael Wink, Heidelberg Universität, (D)

*Poster Presentation - Network & Refreshments Break 15h40-16h*

**G – Flash communications.** Moderator : Pr. Paul Chambon, Dr. Myriam Richaud

16-17h : 8 short Communications lasting 5 minutes

**H - 17h30 Award ceremony and Event close**
